

Biomag 2014 Gala Dinner

7:00 PM - midnight

Wednesday, August 27th, 2014

Canadian Museum of Immigration at Pier 21

Traditionally, many social calls in Nova Scotia culminate with guests gathering in the kitchen of the host's home for an experience of music, traditional maritime food and good company - so get ready for some down-home Maritime hospitality! The Gala Dinner will feature a succulent lobster dinner, a cash bar and local entertainment that will be sure to keep your toes tapping and hands clapping all night! (For those hesitant to trying the lobster a BBQ chicken dinner will be offered as an alternate choice.)

Before dinner starts we invite you to tour the Museum at Pier 21 during the reception. For many Canadians, who came seeking adventure, employment and greater opportunities for their children, Pier 21 was their introduction to a new country. Many newcomers were happy just to be off their ship after a long and harrowing crossing over the Atlantic Ocean. For better or for worse, all immigrants remember the moment they stepped into the shed at Pier 21 and knew for certain that they were not in Europe anymore. The historical portion of the evening will allow you to follow in the footsteps of the 1.5 million immigrants and Canadian military service personnel who passed through Pier 21 between 1928 and 1971. In the Rudolph P. Bratty Exhibition Hall, exhibits will be open to provide you with the opportunity to discover our nation's rich multicultural history. Explore Canadian stories of immigration and nation-building through interactive exhibits, multimedia presentations and activities. Tour Guides will be on hand to provide information and answer any questions you may have.

Space is limited, and open to registered Biomag delegates only, so ensure your spot and [register today](#).
